I am a UX designer with over 15 years of experience in projects for startups and large companies such as Grupo CCR, Makro, Votorantim Bank, Unimed, Avon, and Renault. I have a deep understanding of user needs, communicate my ideas clearly, and enjoy working in teams to find the best solutions and create intuitive and easy-to-use interfaces. My main skills include:

- Facilitating **Workshops** and **Design Sprints**;
- Creating **Wireframes**, **Design Systems**, and high-fidelity **Prototypes**;
- Validating interfaces with **Usability Testing** and **Research**;
- Working in teams with **Agile** methodology and interface **Documentation**.
